

Meet your Lead Neighbourhood Officer

Introducing your Lead Neighbourhood Officer - Stephanie Jones.

Hi everyone, I'm Stephanie and I'm here to support you with all your tenancy management and housing needs. I'm also available to help with tackling anti-social behaviour, making referrals for support, and answering any neighbourhood related query.

During my last Estate Audit, a high number of fly tipping was identified across various streets in Eccles. I know this is a challenging time due to the cost of living crisis and less bin collections, however it's important you manage your waste responsibly.

Please get in touch if you are struggling in any way so that I can make the right referrals and provide you with the advice and guidance to ensure you are able to sustain your tenancy.

Please see below the list for your local recycling centres:

- Cobden St, Salford, Manchester M6 6NA
- Boysnope Wharf, Liverpool Road, M30 7RH
- Lumns Lane, Clifton, M27 8LN

Anti-social behaviour (ASB) week- 18th November 2024.

As part of The National ASB Week which focuses on those who are a victim to Anti-social behaviour, I am arranging a leaflet dropping exercise with our Community Safety Team on Wednesday 9th September 2024. If you are in on the day, don't be shy and come and have a chat and discuss all things ASB.

There will be information on the leaflet outlining how you can report ASB, and what you should do should, or someone you know, be experiencing ASB.

Please don't wait to report ASB as it is best resolved at early intervention. You can remain anonymous when reporting and providing evidence. To report ASB please call 0300 561 1111.

In the mean time I will continue to work with Greater Manchester Police and Salford City Council to address on-going reports of anti-social behaviour. We are working hard in partnership to reduce issues and keep customers safe.
