“I’m proud to be part of a group with real influence making a difference across Irwell Valley Homes”

Christie is chair of our Resident Scrutiny Panel, a group of customers who hold us to account and help us to improve.

Last year one of the main themes of customer feedback was around improving our cleaning and grounds maintenance service. The panel has recently reviewed these contracts, as well as the communications we send around service charges.

Christie says: *“We are a diverse group, with different lifestyles, different customer experience and from different geographical areas, which brings a wealth of experience and opinions for us to consider.*

“By allowing staff and customers to work together, it gives customers a real opportunity to assess and influence decisions that affect them.

“We can address concerns, build relationships with staff and have our voices heard at the highest level.

“Having our review recommendations taken to the Board of Management gives me confidence that customers will see an improvement in services and performance. We’re now looking forward to beginning our next review which is focused on damp and mould.”

Get involved

There’s lots of ways you can use your voice and experiences to shape our services and help us to improve. From mystery shopping to responding to a survey, visit www.irwellvalley.co.uk/get-involved to find out more.

We’re currently recruiting customers to help us decide how we invest money in communities.

The Irwell Valley Foundation provides funding to customers and community projects working in the neighbourhoods where we have homes. By joining the Irwell Valley Foundation group, you can help us decide where and how we invest this money.

Support with the rising cost of living

We know the current climate is difficult.

One of the quickest and easiest things you can do is check you're receiving everything you are entitled to.

Our benefits calculator takes just 10 minutes to do a quick financial check – searching for benefits, grants and other support you may be entitled to.

Scan the QR code, search our website for 'benefits calculator' or speak to your scheme co-ordinator.

Last year we helped our customers to access £234,593 in extra income they were entitled to.

Get discounts on your mobile and broadband

Social tariffs are cheaper broadband and phone packages for people claiming Universal Credit, Pension Credit and some other benefits. Some providers call them 'essential' or 'basic' broadband.

They're delivered in the same way as normal packages, just at a lower price.

To check out the various deals available, scan the QR code or search 'Ofcom social tariffs'.

#CostOfLiving

First 2023 cost of living payment due this spring

If you receive means-tested benefits including Universal Credit you will receive a £900 cost of living payment from the government over the course of this year. It will be paid automatically in three instalments in spring 2023, autumn 2023 and spring 2024.

Those on disability benefits will also receive £150 in summer 2023, while pensioners will receive £300 in winter 2023/24.

£50k for 50 years! Celebrate our 50th birthday with a cash boost for your community

To celebrate our 50th anniversary, this year we have £50,000 in grant funding available for community projects working in the neighbourhoods we serve across Greater Manchester.

Organised through our charitable investment fund The Irwell Valley Foundation, the funding pot is open for applications now – with groups or projects able to apply for a maximum of £5,000.

From food banks helping families with rocketing grocery bills and youth clubs offering a place for young people to learn new skills, to community hubs tackling loneliness and isolation, if the project is supporting Irwell Valley Homes customers, we want to hear from you.

Please take a minute to read through the eligibility criteria on our website here www.irwellvalley.co.uk/our-foundation/funding before completing an application here:

www.irwellvalley.co.uk/our-foundation/apply.

Spread the word to any community groups or projects working in your area who you think might benefit!

We'll update you on successful applicants in the next newsletter and in the meantime turn to the next page to read about some of the things the Foundation has supported recently.

Respect for our colleagues

We strive to always treat you, our customers, with dignity and respect and ask the same in return.

Sadly, sometimes during their work our colleagues are subject to unacceptable behaviour including threats, abuse and physical violence.

This behaviour is distressing and can have a serious impact on a person's health and wellbeing, so we will support our colleagues and act when it happens.

Our zero-tolerance approach

We operate a zero-tolerance approach to abuse of any kind towards our colleagues or those working on our behalf, including:

- Verbal abuse
- Aggression and/or violence
- Threats of abuse
- Inflammatory and false allegations
- Harassment
- Hate speech
- Offensive and derogatory remarks

This applies during visits, via any direct communication and over social media networks, and covers customers as well as anyone else visiting their home.

How to prepare for a move to Universal Credit

If you currently claim benefits, changes are on the way. The Department for Work and Pensions (DWP) is looking to move most people who claim benefits onto Universal Credit (UC) by March 2025.

We don't yet know when your area will be moved over, but there are steps you can take to help you prepare for when that time comes.

- UC claims are usually made and managed online so you will need access to the internet on a mobile device or computer. If you need help to get online, your local library can help. In some circumstances, you may be allowed to manage your claim over the phone, for example if a disability means you can't access online services.
- You will need an email address. Getting one is free and easy to do using such websites as <https://signup.live.com/> or <https://accounts.google.com>.
- UC is paid directly into your bank account so you will need to ensure you have a bank account that will accept payments from the DWP.
- UC is usually paid monthly, not fortnightly, so you may need to look at how this could affect your household budget and the timings of any payments you have set up.
- Your UC payment will include help towards your rent – unlike Housing Benefit which is normally paid directly to us. Paying your rent by monthly Direct Debit is the easiest way to make sure this is paid on time, and you don't miss a payment.
- Further advice can be found at www.understandinguniversalcredit.gov.uk, which includes video guidance.

When it's time to move over, you will be contacted by the DWP, and you will not be worse off. However, if you choose to move UC before the DWP plan to transfer you over, you may miss out on money you're entitled to – so first use our benefits calculator <https://irwellvalleyha.entitledto.co.uk/home/start> to check that this is the right decision for you. If you need any help with this, please get in touch.
