

supporting you into the construction industry

Free
CSCS
Course

If you are looking for a career in construction come along to our FREE 1-day **level 1 Health and Safety in a construction environment course**, which we are running in partnership with Procure Plus.

The course includes preparation for your CSCS test and once you complete the course you will be able to take the test to get your CSCS Labourer's Green Card.

**Monday 15th
November 2021**

10am - 4pm
