

SALE WEST

big community catch up

Join us for a catch up over a mulled wine and mince pie!

We've missed getting together as a community so Our Sale West, Trafford Council and Irwell Valley Homes would love to see you and give you the opportunity to:

- Have your say about the next phase of the regeneration programme.
- Learn more about the work taking place now.
- Influence the community projects you want to see for the next 5 years.
- Discover top tips to stay well this winter.
- Access housing advice and support.
- Tell us how you'd spend £5000 on things that matter to you in your community.
