

Here Comes The Summer!

Hello from me, Graham Jacotine, your Community Co-Ordinator!

Manchester 50th Celebration Event

I am very pleased to announce our Manchester 50th Birthday Celebration Event will take place at one of our wonderful Independent Living Schemes, Morris Court.

Irwell Valley Homes' colleagues will be working together to build a Zen Garden for the scheme. However, this is not all, refreshments and treats will be provided including; a birthday cake. It will also be a great way to meet and mingle with fellow residents and colleagues whilst basking in the beautiful July Manchester sun! The event will be taking place on Friday 21st July.

Whilst this is a project for Morris Court, all Irwell Valley Residents are welcome, so come down and celebrate with us for our 50 Year Anniversary!

Irwell Valley Homes is 50!

This year Irwell Valley Homes celebrates its 50th anniversary – marking five decades of enabling people to live well in their homes and communities across Greater Manchester.

There will be pop up events across many of our schemes and sites, so please do visit our website to see what we are getting up to.

In addition to this, as part of our mission to be present in our communities, there will be three sites across Manchester that will be visited by Irwell Valley colleagues, from all areas of the business, to carry out a community day throughout the summer - dates to be announced soon.

If the site is near to your home, you will be receiving a message with more details. If you do not receive a message, please do not worry as this will be the first of many community days held in Manchester and everyone will have the opportunity to be involved in future events.

If you would like to find out more about our Manchester event, please contact me by emailing contact@irwellvalley.co.uk.

Rubbish Collection

The efficient and effective collection of rubbish from some of our schemes and blocks has been a consistent concern for many of our customers. I can confirm that meetings have taken place with the councils and their contractors who are responsible for the removal of rubbish. We are confident that all parties are doing everything possible to ensure that the collections are completed. However, we would like to take this opportunity to remind all residents that the responsible disposal of their waste is essential to this process. Please ensure that each bin is being used correctly and not being contaminated. Please do not leave your rubbish on the floor. If you need support using your bins, please contact us and we will be happy to help
