

Your Spring Update

Irwell Valley Homes is Turning 50!

Here at Irwell Valley Homes we'll be marking our 50th birthday this year, and so to celebrate we will be holding a series of community events to mark the milestone. It's a chance for everyone to come together and make a difference.

Look out for further information for an event near you on our social media and website. Our first event will be held in Sale West on Thursday 25th May between 10am-2pm.

Estate Work & Visits

I took part in the Broomwood Environment Day on 5th April, litter picking at Broomwood Woods and Park, alongside a team of volunteers, including Paul Huxley from the G Force café. Paul thanked Irwell Valley for being major stakeholders in the work of the Broomwood Partnership and our support on the day.

I carried out my estate audits in March, visiting Stretford, Sale, Timperley and Wythenshawe. During my visits I noted there had been an increase in fly tipping and untidy gardens. I would like to remind you all to be mindful when disposing of large items, you can check your local authority website to locate your nearest recycling centre.

Warmer months are coming

As we are now in spring and the warmer months are coming, I want to share some local events happening over the coming weeks.

There will be a big screen in Manchester Piccadilly Gardens on Sunday 7th May, showing the Kings Coronation.

Strictly Lunch Club is for older residents of Sale and the nearby area. It's held at our Sunshine Café at the Sale West Community Centre. Why not join us each Tuesday and Thursday from 12pm for some company? You'll also be able to get a home-cooked, two-course meal which costs just £2.50. This is thanks to funding from Our Sale West.

Finally, please be mindful when using BBQs. Please make sure your garden is clear before lighting your BBQ and keep children and pets away from your cooking area. Please do not leave your BBQ unattended.

You can get further safety advice on Greater Manchester Fire website.

It's a time of celebration

As well as the Irwell Valley Homes 50th birthday, it is also the King's coronation on Saturday 6th May. This means we all get an extra bank holiday.

This is polite reminder our offices will be closed over the bank holiday periods throughout May. However, we're still here if you need us.

If you need to report an emergency repair or emergency anti-social behaviour during the bank holiday period, please call 0300 561 1111, where the out of hours service will remain in operation.
